

Employee Giving
Our Community, Our Choice, Our Gift

WE BELIEVE IN THE MLKCH FAMILY TRANSFORMING PATIENTS' LIVES TOGETHER

Employee Giving Leadership Team: Mary Weiler, Medical Staff Administration; Michelle Corder, ICU; Eleanor Shaw, Cardiopulmonary Services; Derrick Bowman, Emergency Department; Yvette Visciglio, Human Resources; Carole Newsom, Health Information Technology; Gina Paz, Maternal Child Health; Claudio Gamez, Sterile Processing

At MLKCH, we believe in teamwork. We know that together we can improve the health of South LA. That's why we—employees, contracted staff, hospital consultants, and physicians—come together once a year to support our mission through this annual employee giving campaign.

Your gift makes a difference

With the 2015 employee gifts to the hospital general fund, the hospital was able to respond where the need was greatest—providing discharge medication to our patients who were unable to afford it; offering refreshments on the “sympathy cart” to family members in need of comfort and support; and holding over 100 preventive health screening events to help our whole community get healthier.

Our MLKCH family is twice as big this year—imagine what we can do this time around!

Your gift inspires others

Last year, 1 out of every 4 employees gave to our campaign. This high level of participation reinforced what a dedicated family we are, and inspired others to support this incredible place. When we request grants and gifts from outside sources, one of the things that impresses funders is the high percentage of employees who believe in our mission and contribute financially to the success of the hospital.

How to make a gift

You can make a gift of any size. Every person's participation matters. Make a one-time gift by check or credit card, or give a little from each paycheck. Contributions can be made via our online secure website, or email, mail or drop off the printed form to Zulma in the foundation office. Whether you give \$2 or \$2,000, it all adds up to valuable hospital services that show compassion, respect, and caring for our patients.

BI-WEEKLY PAYROLL DEDUCTION	TOTAL ANNUAL GIFT AMOUNT
\$5	\$130
\$10	\$260
\$20	\$520
\$40	\$1,040

Gifts are tax-deductible to the extent provided by law.
